OTHER ACHIEVEMENTS

1. Reviews of Monographs and Volumes

Victorians and Modern Greece: Literary and Cultural Encounters, ed., with an introduction, by E. Mitsi and A.

Despotopoulou, *British School at Athens Modern Greek and Byzantine Studies Series*, Routledge, 2025,

<https://doi.org/10.4324/9781003394235>. Reviewed very positively in the *Journal of Imperial and Commonwealth History* and in the summer issue of the *BAVS Newsletter* (British Association for Victorian Studies).

- “...the innovative approach, engaging and diverse case studies, fluent and readable language, and clear intentions and message, work together in force to produce a collection that will no doubt become essential reading on Modern Greece... I highly recommend *Victorians and Modern Greece* to anyone that has delved close to the Greek Studies field, or to anyone looking to get acquainted with a unique and fresh interdisciplinary study.” — Yianni Cartledge

Greece in Early English Travel Writing, 1596–1682, *New Transculturalisms Series*, Palgrave Macmillan, 2017,

<https://link.springer.com/book/10.1007/978-3-319-62612-3>. Favourably reviewed in *Year's Work in English Studies*, *Terrae Incognitae: The Journal of the Society for the History of Discoveries*, *Historiein*, and *VTU Review: Studies in the Humanities and Social Sciences*:

- “The ‘flow’ of the text makes reading *Greece in Early English Travel Writing* an unexpected, as well as an informative, pleasure.” — Samuel Pyeatt Menefee
- “Characterised by good sense, a thorough command of sources and clear, straightforward prose, her [Mitsi's] work is testimony not only to her own enthusiasm for her chosen field, but also to the current good health of early modern English Studies in Greece... Mitsi's book illuminates one century of Greece's benighted existence beyond the European footlights and probes expertly its culturally, geographically and existentially liminal status as a nation caught alternatively between East and West or between a glorious past and an ignominious present.” — Jonathan P.A. Sell
- “Mitsi's monograph is an important contribution to the study of late sixteenth- and seventeenth-century travel writing, which challenges us to revise our ideas about intercultural relations in early modern Europe.” — Ludmilla Kostova

Troilus and Cressida, a Critical Reader, ed., with an introduction, by Efterpi Mitsi, *Continuum Renaissance Drama*,

Bloomsbury-Continuum, 2019. Favourably reviewed in *Cahiers Élisabéthains*, *Year's Work in English Studies*, and *Studies in English Literature*:

- “The book is a rich treasure trove not only for the undergraduate student, providing basic information on *Troilus and Cressida*, but proves equally inspiring for instructors and scholars. Another merit of the volume is that it showcases a multinational cast of English, Greek, Portuguese, and Hungarian Shakespeare scholars.” — Natália Pikli
- “This volume proves accessible and stimulating, and the content of the chapters is varied and rich.” — *Year's Work in English Studies*

- “As a whole, the collection registers well the complex dynamics of a play that is both archaic and peculiarly modern.”
— Lucy Munro

Ruins in the Literary and Cultural Imagination:

- “This rich collection of essays demonstrates the powerful hold that ruins have on the Western imagination... These ruinologists passionately engage with the most pressing political and cultural questions of our moment and demonstrate the continued relevance of the humanities with their fine-grained textual and visual analyses.” — Julia Hell
- “The most ambitious, wide-ranging, and humane study of ruins in the literary imagination to date, this book argues strongly for the importance of ruins in understanding our past, the risks we face in the future, and the perennial human capacity to grow beyond disaster.” — Catherine Brown

Women Writing Greece has been favourably reviewed in *Modern Language Review*, *Studies in Travel Writing*, *Women's Studies*, and the *Year's Work in English Studies*, and has been extensively cited in books and articles on women's travel writing.
