D.4.1. Profile

| | |
|--|---|
| Type of Organisation | Higher education institution (tertiary level) |
| Is the partner organisation a public body? | Yes |
| Is the partner organisation a non-profit? | No |

D.4.2. Accreditation

Has the partner organisation received any type of accreditation before submitting this application?

| Accreditation Type | Accreditation Reference |
|---|-------------------------|
| Erasmus Charter for Higher Education (ERAPLUS-ECHE) | G ATHINE01 |

D.4.3. Background and Experience

Please briefly present the partner organisation/group (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners and members of the group).

The Faculty of Social Theology, part of the School of Theology, the oldest faculty of the University of Athens, deals the cognitive subject of Theology in its social dimension, that is, it is based on theory applied in practice within society. In addition to the general scientific theological infrastructure that it offers, it places special emphasis on the interdisciplinary study of religion, based on modern methodology and connected to the contemporary issues of our times.

What are the activities and experience of the partner organisation in the areas relevant for this project? What are the skills and/or expertise of key persons involved in this project?

International students with disabilities should also work closely with the Accessibility Unit for Students with Disabilities of the National and Kapodistrian University of Athens, a team of professionals and volunteers striving to actively realize coequal access to academic studies for students with different abilities and needs, through built environmental modifications, Assistive Technologies and access services. An indicative list of services provided by the Unit includes (a) access to interpersonal communication with the members of the academic community, (b) access to the built environment of the university, (c) access to the printed or electronic educational material, (d) access to the board and the presentations in the classrooms, (e) access to the exams/tests, and (f) access to the information and the WWW content.

1. Sotirios Despotis, Professor
