Dissemination report - June 8, 2018

Over 3, 450 reached to date that can be counted,

in addition to those we have not counted or estimated, such as the uploads in over 10 websites, social media, networks, databases and homepages accessed, reached or visited by thousands, e.g. [https://en.uoa.gr](https://en.uoa.gr), as well as faculty emails and discussion folders/conversation pages (DEP and SOC), open access e-classes and project partners Facebook shares, to name a few. This report also includes a sample photo of our students linking into GeoLudens.

I.

1. On May 31, 2018 disseminated and emailed to 1,094 registered students, and in Announcement page in e-classes, which are Open Access, consequently more students and individuals are reached that cannot be counted as all e-classes that follow in this report are Open, free for any unregistered student or individual to log in (see links below):

- 462 registered students in Sociology e-class:

- 496 registered students in e-class: Gender and Sports (Greek):

- 51 registered students in e-class Gender and Sport (class in ENGLISH):
Creating a tech tool to promote European Traditional Sports and Games from an intergenerational and inclusive perspective, ERASMUS PLUS Small Collaborative Partnership-GEO-LUDENS

-67 registered students in Sport Sociology Graduate e-class:  
https://eclass.uoa.gr/modules/announcements/index.php?course=PHED266

-18 registered students in Special issues in Sport Sociology Graduate e-class:  

Total: 1,094 registered students reached

2. June 2, 2018 - Exactly 1,326 registered eclass students received Geo Ludens link and announcement:

- 1,154 Sport Sociology registered undergraduate e-class students
- 232 registered students in undergraduate e-class Olympism: A Sociological Approach/Perspective
  
Total: 1,326 registered students received Geo Ludens link and announcement

Press release with links and photos sent June 1, 2018: pending publication on NKUA’s English website https://en.uoa.gr/

The following press release and photos sent to NKUA yesterday 2/6/2018:

Creating a tech tool to promote European Traditional Sports and Games: European Map of Traditional Sport and Games

The National and Kapodistrian University of Athens (NKUA) is participating in the ERASMUS+ collaborative partnership GEO LUDENS "Creating a tech tool to promote European Traditional Sports and Games (TSGs) from an intergenerational and inclusive perspective" http://geoludens.eu The European Commission has long acknowledged the important role of sport and physical education as a tool for socio-cultural inclusion-integration in and through sport, along with promoting public health, a healthy lifestyle and social well-being.

Creating a tech tool to promote European Traditional Sports and Games from an intergenerational and inclusive perspective, ERASMUS PLUS Small Collaborative Partnership-GEO-LUDENS

On May 30, 2018 the NKUA provided a guided tour of the 19th century neoclassical installations—the historic building of the National and Kapodistrian University of Athens (NKUA)—to all the project participants: the coordinating university Fundacion Universidad San Jorge (FUSJ)/St. George University (Spain); the European Traditional Sports and Games Association-AEJeST (France); the Baranta Traditional Hungarian Martial Arts Association (Hungary). The NKUA also hosted the first two working sessions at the Alumni Cultural Centre “Kostis Palamas” [https://en.uoa.gr/about_us/services_units/kostis_palamas_building/](https://en.uoa.gr/about_us/services_units/kostis_palamas_building/).

The other three working sessions were organized and hosted by the School of Physical Education and Sport Science [http://en.phed.uoa.gr/](http://en.phed.uoa.gr/). Participating in the five working sessions in Athens are, first from the Left: 1) Botond Biro of the Baranta Traditional Hungarian Martial Arts Association (Hungary); 2) Prof. Nikolaos Geladas, Dean of the School of Physical Education and Sport Science of the NKUA (Greece); 3) Assoc. Professor Irene Kamberidou-NKUA, (Greece); 4) Dr. Bartosz Prabucki-AEJeST (France); 5) Prof. Konstantinos Karteroliotis, Vice Dean of the School of Physical Education and Sport Science of the NKUA (Greece); 6) Dr. César Berzosa FUSJ (Spain); Asst. Professor Fotini Venetsanou-NKUA (Greece) and Dr. Carlos Valero- FUSJ (Spain).

For further details see: [European Map of Traditional Sport and Games](http://geoludens.eu) - Creating a tech tool to promote European Traditional Sport and Games from an intergenerational and inclusive perspective. See two (2) photos below:
