 Associate Professor
 Athens University
 Faculty of Sport Sciences

Dar Sir,
 I am pleased to confirm that the following papers submitted to The Italina Journal of Sport Sciences will be published in revised form in next issues of the journal (to be scheduled):

1. The Joy of Dance (Terpsichore): Dance and Gymnastics, constituent elements of education in the classical era (which I have attached in this email).
2. The physical and spiritual education in Sparta and Athens and the relation of Olympic sports with religion
3. The value of physical activity and health in the Hippocratic Collection (Corpus Hippocraticum)

You will be contacted by our editorial assistant as soon as possible

Sincerely yours

Prof. Marco Valenti
